

Visitor Registration Form

To give us a better understanding of the groups and individuals visiting the centre, and ensure people are properly dealt with during a visit, we require organisations to complete a registration form in advance of any visit. This also helps ensure there is adequate staff/volunteer cover during the visit.

Prior to any visit we suggest that you familiarise yourself with the ALM website www.asylumlink.org.uk which contains a lot of background information about the work of the centre
